

## Information & Overview

# Culture & Language Short Course

Our Culture and Language Short Course is designed for individuals preparing to serve in different cultures for 1-2 years. It condenses our long-term culture and language training, providing you with the essential knowledge, skills, and attitudes to foster relationships and adapt to new cultures and languages.

### Structure

**30 hours of training:** We will provide a total of 30 hours of interactive training on topics of cultural adjustment (15 hrs) and second language acquisition (15 hrs).

**Online Coursework:** We ask you to watch all the online videos before or during each live session. Our trainers will give you more details during the first live session.

### Schedule

We will work closely with our trainers to coordinate specific training times that align with your schedule and preferences. Your convenience is our priority.
