

CultureBound
Information & Overview
CAMP Training

In our CAMP training (Cultural Awareness Made Practical) you will immerse yourself in captivating lessons, complemented by practical worksheets crafted to elevate your cultural understanding and competence. Take the first step toward a more culturally aware future and grow in healthier relationships, with God and others.

Content

- **What is Culture?**
- **The Culture Tree**
- **Relationships**
- **Asking Good Questions**
- **Core and Flex**
- **Cross-Cultural Dilemma**
- **God's Culture**
- **Languages of Culture**

Individual members of your teams register for CAMP and watch the videos on their own time. We ask that each person register as this helps cover the cost of providing this training. Team leaders may have the group discuss the pre-trip questions while preparing to go. The group can choose activities to do while on the trip.
