6 Bridges Workshop

Our 6 Bridges Workshop is a specialized culture training program that aims to equip local churches and Christian organizations for intercultural ministry by building bridges across cultures. Whether you're welcoming strangers in your community or serving in an intercultural ministry at your local church, this training will help your team better understand and relate to your neighbors. This training is highly adaptable and can be tailored to meet the specific needs of your ministry context, conducted in a 3-hour session or a weekend-long workshop. Please contact our training coordinator (trainingcoordinator@culturebound.org) to learn more about 6 Bridges Workshop or to start planning for your training.
